Professional & Leadership Experience

AI Club, William & Mary – Founder & President 2025 – Present

- Recruited Dean of Computer Science, Data Science, and Applied Physics as advisor; drafted charter and secured official recognition.
- Programmed workshops (e.g., MBA “Vibe Coding” session) and spoke on a panel at the AI in Business Education Summit
- Direct daily operations: meet with the executive board, delegate tasks, coordinate with faculty advisors and campus offices, and monitor project timelines and budget compliance.

GenEdu LLC / AI Cloaker LLC – Founder & CEO 2024 – Present

- AI-powered learning-tool platform: designed product architecture, wrote MVP code with generative-AI assistance, and oversee continuous feature iteration.
- Manage branding, user feedback loops, and external partnerships; spun out AI Cloaker to obfuscate AI-generated text for academic clients.

Mason Investment Society, William & Mary – Senior Industrials Analyst 2024 – Present

- Lead coverage on Xylem (XYL) and broader industrials; build valuation models, write weekly sector briefs, and brief an 80-member fund.
- Liaise with Xylem Investor Relations to refine thesis and update the team on corporate actions.

Cedar Point Yacht Club, Westport, CT – Sailing Coach & Dock Hand 2023 – Present

- Instruct sailors on fundamentals, safety, and race tactics; assist with winter maintenance and member services.

Lifestyle Equities, New York, NY – Strategy & Web Intern Spring 2024

- Supported CEO on site redesign and brand messaging; built investor deck and assisted podcast planning; attended Yale Innovation Summit.

Royce Investment Partners, New York, NY – Summer Investment Analyst Summer 2023

- Authored equity research report on small-cap retailer covering trends, pricing, valuation, and risks; presented to portfolio managers.
